Tradition

Westminster High School has entered the second quarter century of Lion heritage. Thousands of students have attended this great school and through their success have established the tradition that Westminster High School is the home of Scholars and Champions.

I hope that during the past year you have experienced the success that will build upon the Lion tradition.

I am happy to be a part of Westminster High School. I credit the staff and students for making it an outstanding school whose tradition will remain with you always.

Dedicated to the Class of '85

We're special each and everyone, but the time is drawing nearer, and we know that we are done. Do you remember when the halls seemed to long? And you didn't know right from wrong? How the seniors appeared so tall! Who could trade anything for it all? Four years of our lives have passed, but how did it go so fast? Now we're stepping into the "real" world friends, sometimes they say the confusion never ends. One big family is what we are, each of us reaching for that shooting star. Originality at its finest is collected here, with Graduation Day oh so near. Class of '85 it's time to go, where we'll stop, we'll never know!

A New Tradition

This year "Club Rush Week" was added to our many yearly campus activities. During lunch in Buckingham Square, all clubs advertised what their clubs were about and the qualifications one might need to join. Many students joined clubs and got involved in W.H.S. spirit.

Love or Infatuation?

Everyone needs to feel needed, including high school students. Most need to find someone to share their experiences and hopes with. Many times, we feel as though our "new" love will last a lifetime; then all of a sudden, things change, and it's over. Relationships are part of growing up. We are all trying to find the difference between love and infatuation.

Hey Bud,
We made it through Fourth. Keep working out & you might kick my Butt. See you next year

Not just a kiss — "I want to bite your neck!"

Walking arm in arm — A familiar scene on campus.

Getting From Here To There

The social spot on the campus comes alive about 7:30 a.m., when all the cars start loading in the parking lot. Some old, some new, but they all seem to get us where we're going. Cars are no longer our only transportation. Scooters, motorcycles, bicycles, skateboards, and the traditional feet are also used as transportation to and from school. Those that do have cars are lucky, and mom and dad make sure we are aware of this privilege. They remind us constantly of those zero degree mornings when they had to walk 100 miles to school.

Gossip — A Daily Event

Each day, there is a new topic to discuss between classes. Many times, these discussions are prolonged into class time, creating tardiness. The truth always seems to get stretched out of proportion by the end of the day. No matter what it may be, everyone will agree that it makes the day go by a little faster. W.H.S. wouldn't be the same without it.

Playing it cool, some senior boys discuss their next scooter rally.
Mike gesticulates to Dave — What? With who? Where? When . . . ?

School Spirit Through Activities

Westminster's spirit soared to a new high this year. Buckingham Square was filled everyday with enthusiastic students from all classes. Minister of Noon-time Activities, Rhonda Brick, coordinated several new and exciting events to raise spirit among those who were previously uninvolved. Whether participating or observing, each individual plays an important role in promoting school spirit.

Friday Night Frolics

Following most of the home football games, students of W.H.S. gathered to boogie the night away. D.J.'s played the favorite tunes, by request, from the hoppers. Everyone appeared to enjoy the music, good or bad, as they got up and "cut the rug." Slow songs set the mood for those who were love-bitten.

This paradise atmosphere of a mystic, colorful Hawaii was created through dayglow pictures, popular music, and decorations. All of these elements made an enjoyable evening.

The senior class was pleasantly entertained by nine enchanting beauties, including T. Lewis, C. White, M. Connot, K. Woods, S. Noble, D. Hicks, B. Rose, and J. Miller. Each came out dressed in grass skirts, coconuts, wigs, and make-up as they danced a little jig.

Following the entertainment, everyone was revived and enthusiastic by the announcement of the King, Mike Connot, and the Queen, Lisa Kawashima. The Luau was a memorable event of the senior class.

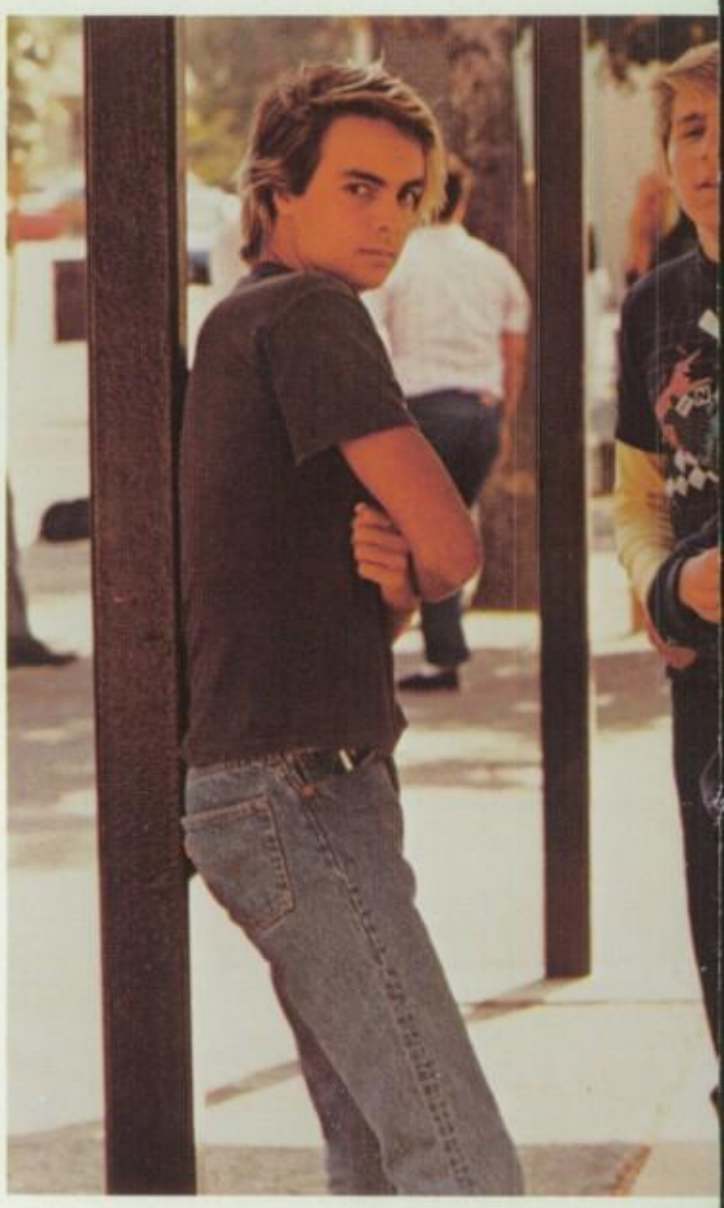
Fashionable Fads

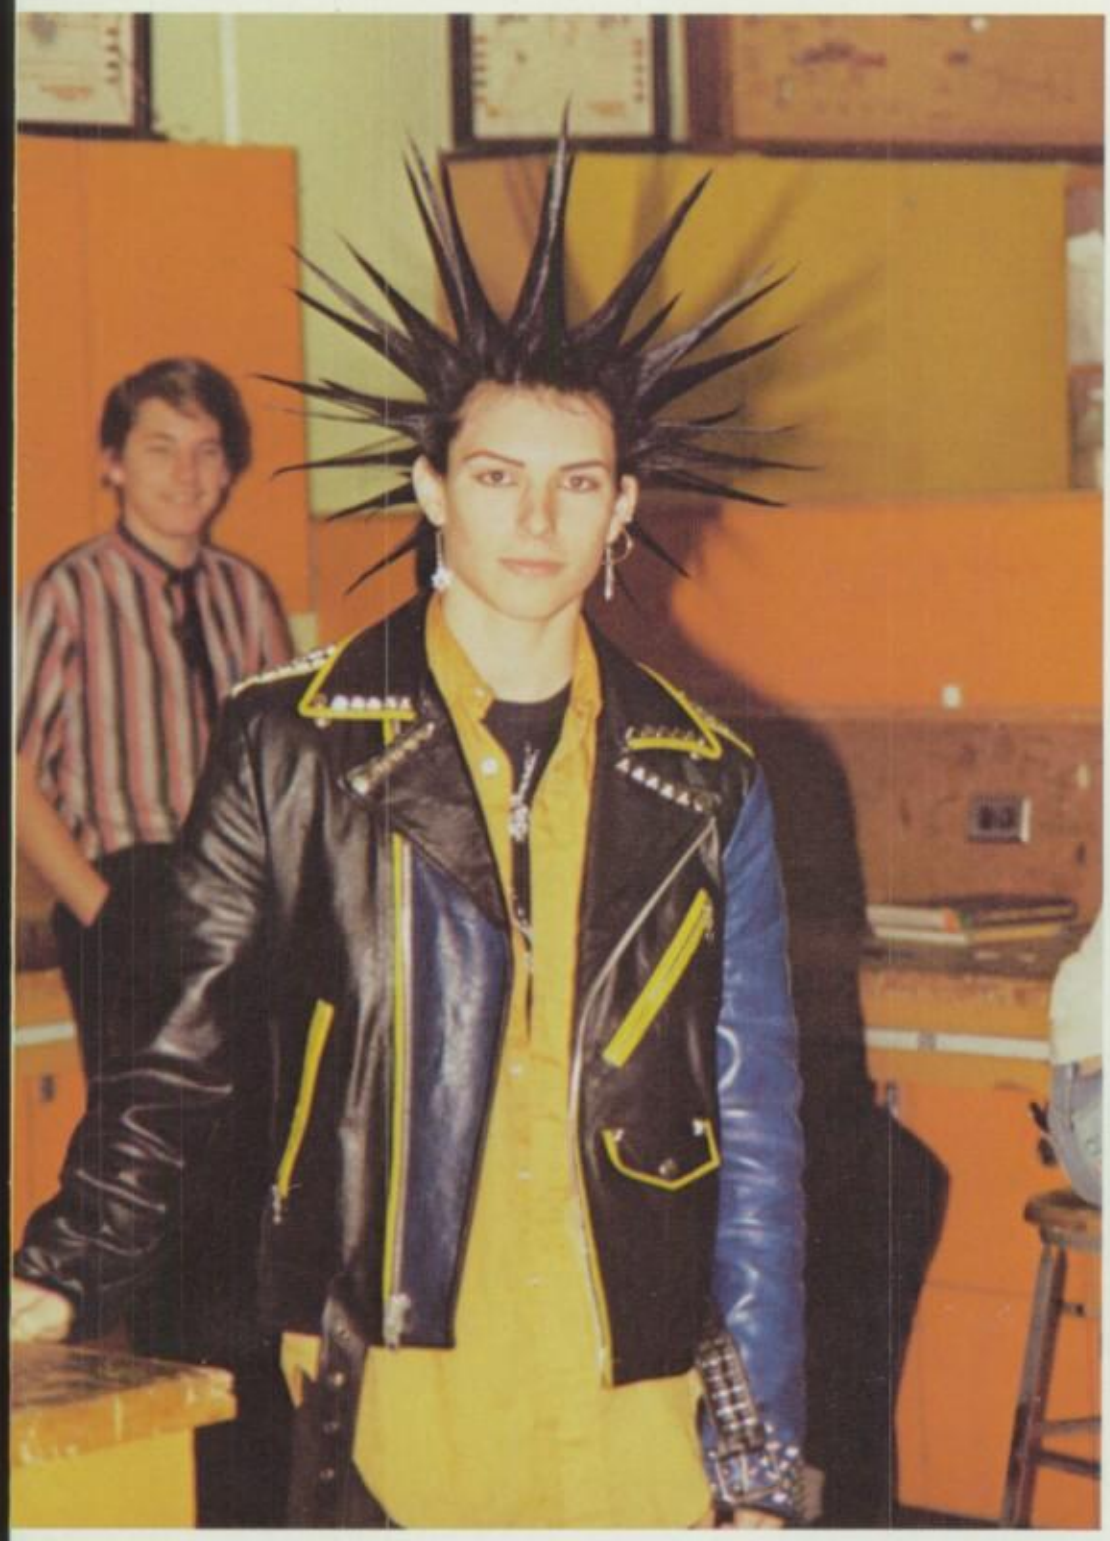
Everyone seems to have their own personality when choosing a wardrobe. This year has been loaded with bright day glow colors, which have been a definite sign of the times. On the other hand black has become a mysterious fashion color. Such name logo's are popular: Guess, Cherokee, Chams, Jag, and of course the traditional 501 Levis. The list goes on and on. These are only a few key brand names that you may see printed on someone's clothes around campus. Hairstyles and make-up are becoming another way to express individuality. We are lucky to have such a flexible dress code.

Here's a quick pose and a flashy smile for a fashionable look.

Bill Gagnon shows off his business type apparel to create a classy image for his senior year.

Jason Weeks in the typical jeans and T-shirt.





Norman Breeze proudly displays his Liberty spike hairstyle and punk ritualistic apparel.

What a familiar look. — Tank tops, they seem to be an essential in everyone's wardrobe.

Of course the pegged pedal pushers can still be seen as an acceptable choice.

Homecoming

"Once Upon a Time" Westminster held a magnificent ball. To show their valiantry, a grueling game of football was played against Edison. Everyone shared in the festive occasion of Homecoming. The ball was attentively held on Saturday October 20, 1984. The atmosphere was one of enchantment and subtle beauty. Streamers, balloons and various decorations were exquisitely garnished throughout the hall. Couples enjoyed a festive evening as they danced under the crystal ball. Everyone made this Homecoming a memorable and special evening.

At this special ball, everyone was featured in the very best attire; yet, no one was more exceedingly elegant or refined than the royal court. The Queen Ronda Brick and her dashing escort, Mike Connot, were paid a special tribute and recognition. In a sense everyone won the chance of being treated like a "Queen" or "King". Everyone was given a chance to dance in the ball and wear special gowns and suit fancied by the days of yesteryear.

The magic feeling shall always linger in our hearts as we see the lovings squeeze given by Bob Rose to Nanette Chitty. The class of "85" shall keep the Homecoming of '84 close to their hearts for this special moment happened "Once Upon a Time".

Creamation!

The Homecoming court was creamed by their prince charmings to achieve a growing look of beauty before their fairytale night of being crowned queen.

This princess look was accomplished by applying natural products: honey, mayonnaise, flour, eggs, and tomato juice. The application of these magical substances created a gorgeous Beth Servias, Connie Perkins, Theresa Minoux, Nannette Chitty, and Ronda Brick.

The evening of October 19, Brick was crowned and began her reign as Westminster High's Homecoming Queen of 1984.

Whoever could believe WHS could create Mistletoe Magic. This festive occasion was celebrated on November 30, 1984 on the Queen Mary. The theme "Mistletoe Magic" provided the excitement and brought couples into the yule tide spirit.

The excitement reached its peak when the winter formal court Tom Schalange, Sean Noble, Jeff Loving, and Dave Hicks were presented. For a moment there was a lot of suspense, but shortly the suspense was over and Tom Schalange was crowned King. The couples then shared the spotlight dance, and enjoyed the pleasures of being on a "Love Boat".

This evening ended in full bloom. Every mixture of happiness and gaiety were expressed on the faces of the many couples. WHS will always be remembered for the "Mistletoe Magic."

The music department puts on a pops concert each year and everytime it has been left out of the yearbook because of our demanding deadlines. To compensate, we are presenting last years show, "42nd, 5th and Broadway", in this years edition.

The Choraleers, Madrigals, and additional music students work hard to present an enjoyable show. Bits and pieces of popular Broadway musicals were the content of last years production. Mr. Crawl, music instructor, choreographer and director of all the concerts gives many hours of his time to make sure that the show runs smoothly. Each show has succeeded in being unique and equally enjoyable.

Coronation

On Friday January 18, Westminster celebrated coronation "Under The Big Top." One could not help being excited and caught up in the clowning atmosphere. Balloons of every shape and color were presented throughout the gym. The court looked fabulous as they sat in line across the gym. The court consisted of Jamie Wells, Kristen Weatherbee, Laurie Buenafe, Amy Loomer, and Beth Glass. The guys were Kelly Woods, Joe Miller, Bob Rose, Steve McBride and Tom Lewis.

By half time there was an enormous feeling of surprise and excitement. As each of the candidates was presented, the audience saw pictures of their childhood. Everyone was intrigued by the announcement of the king and queen.

It was a pleasure to see Bob Rose and his mother embrace when the king was announced. The queen was Laurie Buenafe. The night "Under The Big Top" proved to be a raving success and everyone was excited to be a part of the crowning of the court.

Straight from the Heart

The 1985 Westminster Sweetheart dance, entitled "**Straight from the Heart.**" was a smooth Success.

For those who did not attend, the evening began with a long walk through the deserted Knott's Berry Farm, to Cloud 9. Just walking through the empty park with all the rides closed, yet all the lights flashing and music playing reminded me of the twilight zone.

Congratulations to the King and Queen Tim Davis and Dina Davis. Also to the Valentine's Court: Freshman Prince and Princess, Sean Ostler and Lori Yamato, Sophomore Prince and Princess, Todd Bischof and Amy Takai, Junior Prince and Princess, John Mougin and Phuang Doan.

High Achievers Stand Out

For the scholastic students at W.H.S., there are clubs for them. The clubs are called California Scholarship Federation and Advanced Placement. C.S.F. is for those students with a grade point average (GPA) of 3.4. In order to get the title of sealbearer, the students must have been in C.S.F. for four semesters, not including their freshman year, but at least one semester in their senior year. For these requirements they receive a gold tassel on graduation. Advanced Placement is also for high achievers. They must have a G.P.A. of 3.25, and have at least two honors classes or one A.P. class. These clubs are for those students that wish to put in a full effort to achieve in life.

Social Workers Of Today

"S" club, Key, and Interact are different in very few ways, such as the types of people and the attitudes of those people, but the same in motives. These clubs work for the community. They earn money for scholarships and donations for special causes. By working in the school snack bar and doing work for the community, they earn the money for those nice gifts. In order to be a part of these clubs you must have a grade point average of 2.0, and earn points ranging from 5-10. Each point represents an hour served by that person.

Each year W.H.S. hosts a bandfield show tournament on our home field. Many entertainment units come from schools to compete. Long hours of dedication are composed into each show. After the guest bands are through and the judges are tabulating scores, W.H.S. exhibits their show to entertain the crowd. The show has been a success and everyone has a great time.

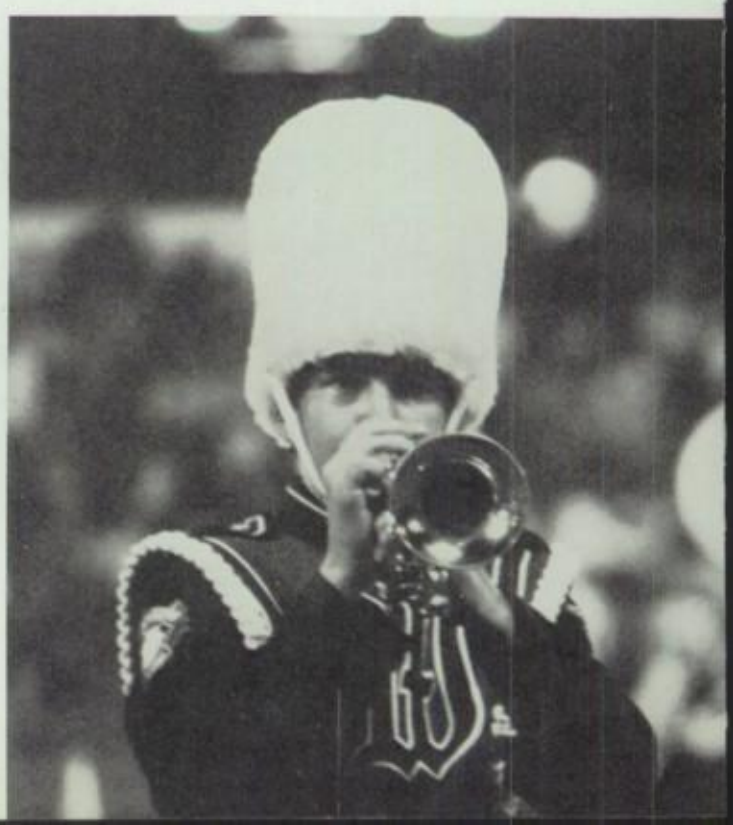
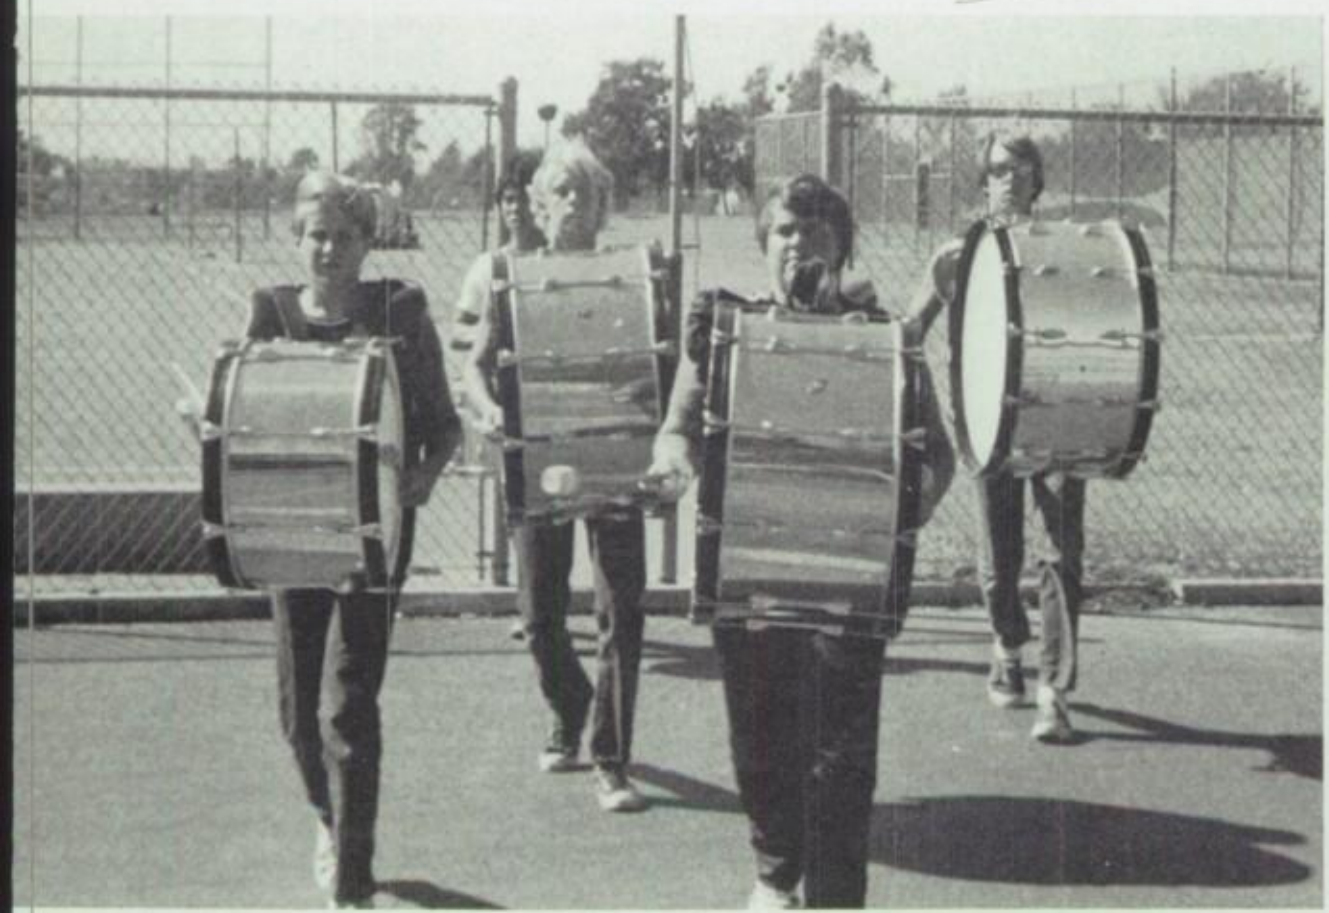
Rick does a fine job of working and being in the band at the same time.

Band: Marching to the beat, Band is a complicated activity. To be in Band, you must be coordinated enough to play an instrument and march at the same time. Also, you need good grades. In order to join any club or organization you must have a good grade point average. Band is the high light of the games. In short, without the Band games would be boring.





It sure is a long walk back to the band room for these drummers.

Our Leaders In Action

House of Lords members are the leaders of W.H.S. They plan fun filled activities for us all, and help keep high school a nice place to be. The reason for the name of this group is that W.H.S. is named after Westminster, England. The leaders in England are called The Lords of the House. Like England we also have a Prime Minister, and they are both women.

Varsity Kicks Off Another Season

The Lion Football Team played in excellent company during the 1984 season, playing eight teams that eventually made the play-offs. Although outweighed by twenty-five to forty-five pounds per player by every opponent, the tenacious Lions gave notice that W.H.S. football is back. They defeated three C.I.F.-bound teams and barely lost to three others. A sound victory over Ocean View; highlighted by a 22 yard interception return by **Romy DeVore,** a 65 yard run by **Dave Harrell,** two touchdown receptions by **David Hicks,** and an exciting last minute school record 99 yard interception return by **Eugene Armijo,** capped the season on a positive note. The Varsity coaches, Jim O'Hara, Don Davis, Jack Bowman, Roy Scaffidi, and Steve Osborne, were pleased with the team's success this season and recognized David Hicks, Mike Connot, and Bob Rose as first team All-Sunset League players. Ricky Gates, Dean Noble, David Harrell, Ted McMillen, and Herman Baine made second team All-League players.

There's no doubt in **Greg Short's** mind that Westminster is number one.

After a rousing victory, the mighty Lions celebrate their performance.

Best Record Belongs to Sophomores

The Sophomore football team had a tremendously successful season under the guidance and leadership of Coach Dick Katz. The Lion sophomores sported a strong passing game and a solid running attack with an aggressive offensive line that always managed to get the job done. As Defensive Coordinator, Coach Frank Arguello built one of the toughest defenses in the Sunset League. The Lions played with pride and intensity by shutting down their opponents. The Sophomores finished 7-3 overall with a respectable 3-2 record in league. The 1984 Sophomore team and the coaches deserve much credit and praise for having such a victorious season. At the team banquet, **Ray Smith** was named Most Improved Player, **Mike Austin** was named M.V.P. Offense, and **Dean Eddy** was named M.V.P. Defense.

Under the lead of seniors Tim Davis (captain), Eric Schurman, and Coach Dick Katz, this year's team united to capture a third place finish among the Sunset League teams. The season started rough for the Lions because of the young players. The team had to work hard to earn their first CIF playoff appearance in fifteen years. The team has acquired the nickname "The Wild Bunch" through their aggressive play. They intend to keep their reputation and make a habit of playing in CIF games as they enthusiastically look forward to their next season.

WATER POLO

H_2O Polo Splashes To Victory

The 1984 Water Polo season was one of the best that Westminster has seen in ten years. The Varsity team placed in third for league and earned the right to play in the CIF Water Polo Championships. The team is the second in our school's history to make it to the CIF playoffs.

This year's team was dominated by three excellent seniors, ***Joe Miller, Tom Mueller,*** and ***Tom Schlange,*** who led the rest of the young Lions and contributed to the fast growth and good team work.

The team also included two juniors and five sophomores to make up the varsity team. Water Polo is on the rise at Westminster High and will continue to improve if the up and coming players will work harder and dedicate themselves to becoming good Water Polo players.

Finishing in the top sixteen in CIF is something the whole school can be proud of.

Girls' Tennis Gave Their Best Shot

The Girls' Varsity Tennis Team had a very successful pre-league season. Both Varsity and Junior Varsity teams battled courageously in their Sunset League season. Varsity banquet winners were ***Stacey Belkin*** chosen as Most Valuable Player and ***Jill Iwaniec*** Most Improved Player. Junior Varsity awards were given to ***Janet Asis*** as Most Valuable Player and ***Julie Matsuura*** Most Improved Player.

Junior Varsity team: ***back row;*** Coach Moor, Michelle Dawes, Anne Marie Downs, Darci Kolar, Patti Butler, Michelle Sharp, Eydie Jaurequi, Christina Green, Rachel Vasquez. ***front row;*** Gail Roach, Nancy Fiorella, Janet Asis, Stephanie Franco, Lisa Ryder, Shelley De Maio, Julie Matsuura, Coach Snowden.

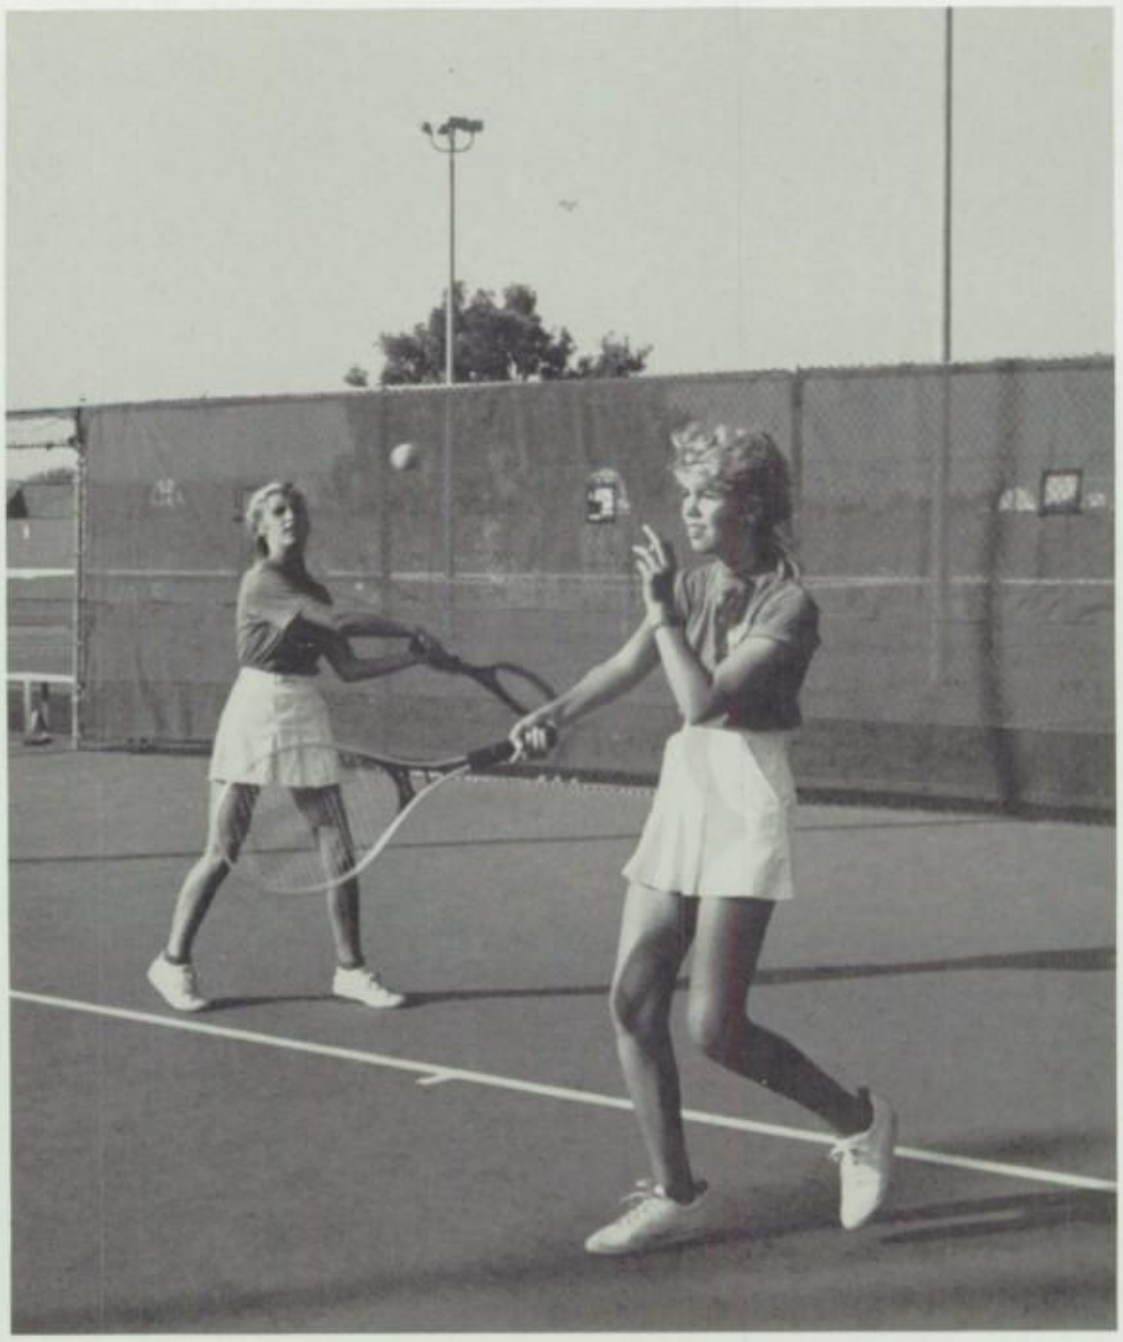
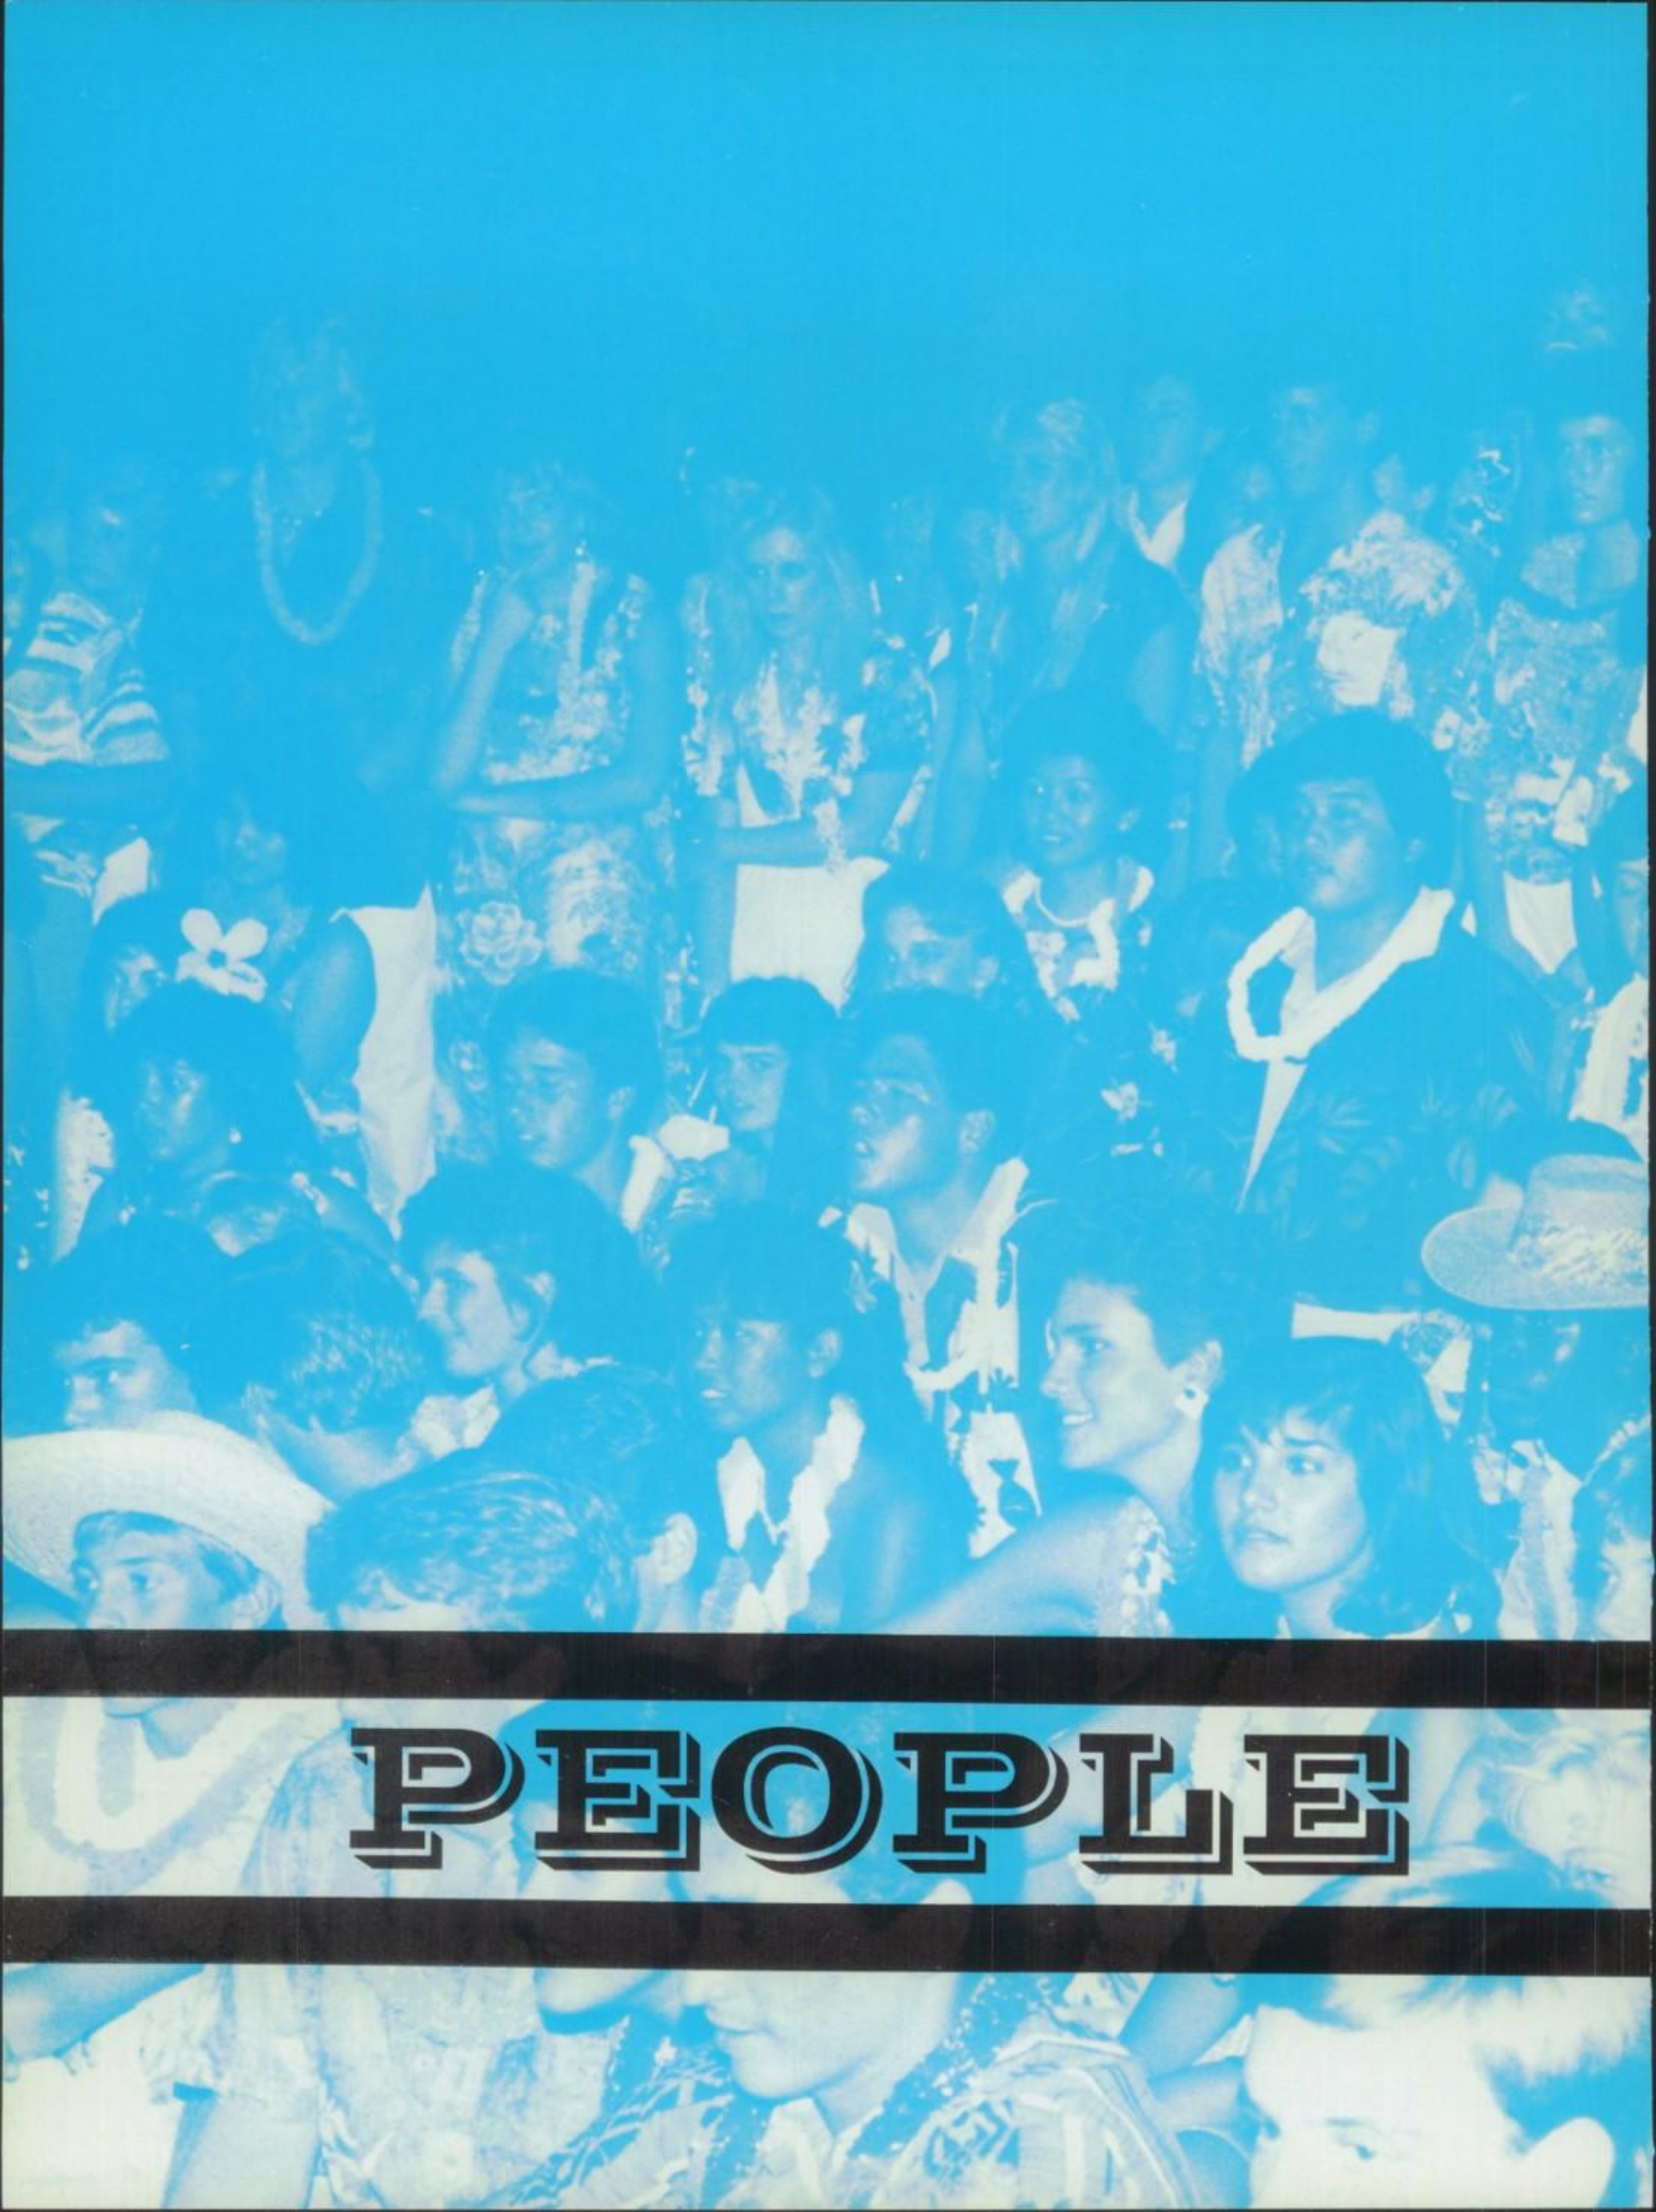
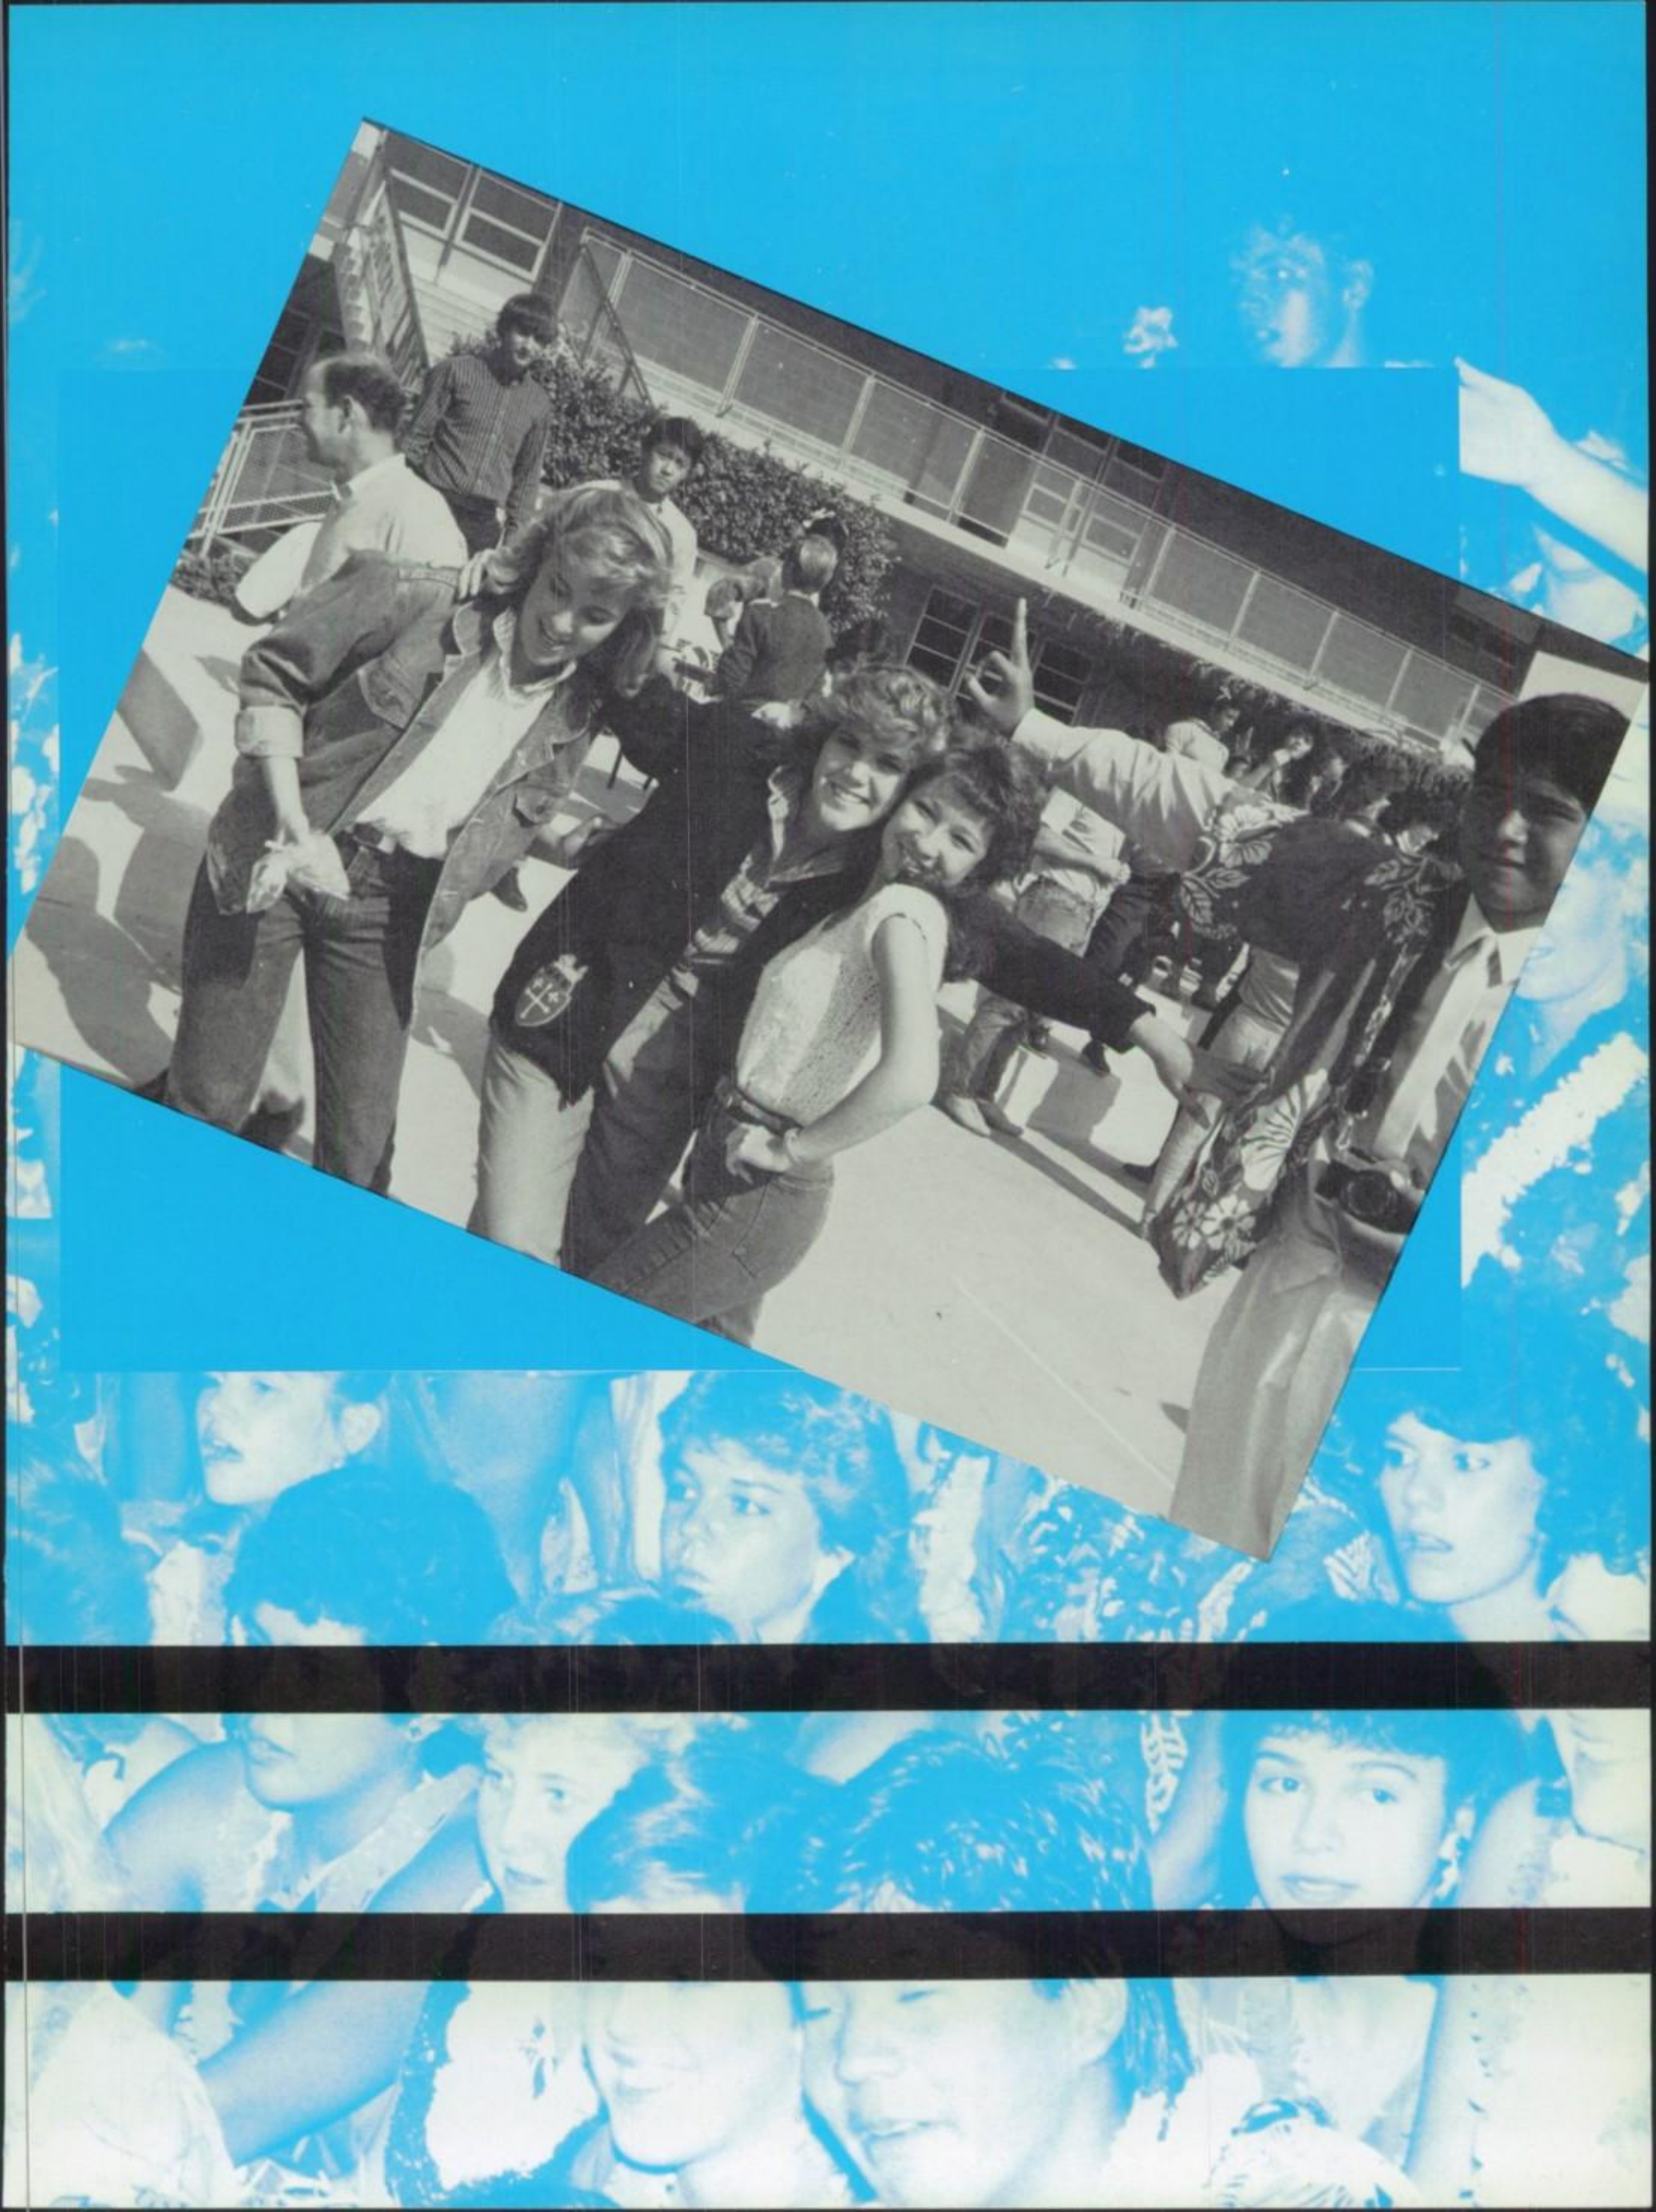
While ***Stacey Belkin*** and ***Jayne Issacs*** pose for the camera, ***Rachel Vasquez*** gulps down some gatorade.



Practicing their moves, Gail Roach and ***Shelley DeMaio*** warm up for a game.



PEOPLE



Best Smile

You'll never see these two frowning because they have such "toothy" grins. **Beth Servais** plans to attend Cal State Long Beach. She is involved in drill team, House of Lords, and Ski Club. She feels that if you brush 3 times a day, you'll keep the cavity creeps away. **Mike Corrigan** plans to attend GWC to take administrative law courses. He enjoys scooter rides and playing hacky sac.

Best Dressed

Always with an eye for fashion, **Michelle Vogel** and **Dan Arguello** can be seen shopping at the mall on a regular basis. Dan's favorite thing about our school is the brown burritos in the cafeteria and Michelle really likes her locker. Michelle enjoys shopping at Veterans Thrift and Army Surplus stores and Dan goes to Hollywood, K-Mart, and Ward's for his wardrobe. Dan looks for stylish or casual clothing, while Michelle finds anything that no one else will possibly step into.

Friendliest

There is a friendly atmosphere at WHS with **Jeff Loving** and **Nanette Chitty** chosen as the Most Friendly. Nanette has been a cheerleader for 4 years. She has met many people and made a lot of friends. She plans on becoming a doctor, making lots of money, and living happily. Jeff has been involved with football and wrestling all 4 years. He always has a cheerful smile to brighten up the day. He enjoys spending his spare time "hanging out with his buds."

Most Athletic

You definitely won't see these two without their letterman jackets. **Jackie Mendez** and **David Hicks** were chosen as the Most Athletic seniors. Jackie has played volleyball for 4 years, soccer 8 years, and softball 12 years. As you can tell, she loves to compete. David has been involved in football, baseball, basketball, and track. Win or lose, these two are definitely "good sports."

Best Personality

Always sparkling with humor and wit are **Shellie Roller** and **Casey White,** the seniors who appear to get along with everyone. In his spare time, Casey enjoys cliff diving, watching cartoons, and hunting wild iguanas in Zambuie. The most important thing to him at this point in his life is the fact that he can now cross the street on a yellow light. Shellie likes to spend her spare time with friends, her sister, and her boyfriend.

Class Clowns

Always pulling a prank or telling a joke are **Heather Myers** and **Kelly Woods,** the two craziest pranksters roaming the campus hallways. Kelly's funniest experience was shopping with a kleptomaniac and getting caught stealing donuts. He describes himself as good looking, but, where women are concerned, Kelly claims he has a curse. Heather had a funny experience when she serenaded the Huntington Beach surfers while in her pajamas. Always making people laugh, Heather and Kelly both love to see a smile.

Best Looking

Among the abundant good looking seniors in the class of '85, **Rhonda Brick** and **Mike Connot** were chosen the most attractive. Rhonda is involved in Varsity Yell and House of Lords. After graduation, she plans to attend Cal State Fullerton. Mike has played football and baseball all four years. He intends to be a fireman in Orange County. Both Mike and Rhonda agree that the best thing about Westminster is the friendly people.

Most Spirited

Roaring with pride for WHS are "lions" **Sabrina Danna** and **Tim Davis,** the seniors you'd find front-row-center at a pep rally, football game, or any school activity. They both feel that the class of '85 has contributed a great deal to the increase in school spirit. Tim is a two-year Varsity letterman, while Sabrina has shown her pride in WHS by representing our school as the mascot.

Prettiest Eyes

Wanted by Baush and Lomb's advertising agents are **Caryn Edwards** and **Steve McBride,** the two with the bluest eyes on campus. They both agree that WHS was a good place to meet friends, who they like to spend their spare time with. Caryn "sees" herself in the future as a famous make-up artist, who just might be employed by Steve, an aspiring model.

Biggest Flirt

Winking an eye or blowing a kiss, **Connie Perkins** and **Todd Blan** can always be seen clinging to someone. Connie is an active member of the House of Lords and enjoys spending time with her friends. Todd is on the Varsity basketball team, in the Spanish Club, and sleeps in his spare time. Both plan to extend their education an additional four years.

Shyest

The two seniors next in line to receive the Nobel **Peace** Prize are the timid **Laurie Buenafe** and **Ted McMillen.** Both enjoy going out with friends in their spare time. Ted is active in football, track, and coaches pee-wee basketball. Laurie plays field hockey and is a Varsity cheerleader. She says she's unresponsive to people when she first meets them and Ted admits that he only talks when he has something to say.

Taking pride in their outgoing reputations, so far this year, P.J. went to the San Diego Wild Animal Park for her birthday and Joe went to the 7-11 all by himself.

He has participated in Cabaret '84, Renaissance Faire, and Pops Concerts. He is presently a host at the famous "Golden Arches."

Most Likely to Succeed

Lise Lindquist and **Eugene Armijo,** the two seniors who are sure to be on the honor roll this year, can always be found cracking a book or studying hard to maintain their high grade-point-averages, while staying active in clubs and sports. In the future, Lise plans to become president of a major corporation, and Eugene sees himself in the engineering field.

GOLFING

Golfers Putt Into Action

The 1985 Golf Team began their season with six straight practice wins. A blend of veterans: Julian Roberts, Mark Rattay, Mike Wolf, and newcomers Adam Capleloutu and Chris Kloster made up the fine team. Playing a strong controlled game, the team's goal is to win the Sunset League and go on to the C.I.F. playoffs. All of the boys play a steady, well disciplined game, which is the type of game that produces team wins.

Surfers Out For Fun

The 1984-85 Surfing Season was an encouraging time for the Westminster High Surf Team. It was a season of growth with the addition of the first woman surfer for WHS. They lost four meets, but beat Fountain Valley. Because it is a young team they hope to build and increase their wins next year. According to one of the team members, "In surfing, all you are there for is to have fun. We only had one win against FVHS, but that was enough to get us stoked." Isn't that what it is all about?

Trev,
You are a funny guy and smart too. Take all you memories of high school with you in the future. Come out 1 day to see a game.

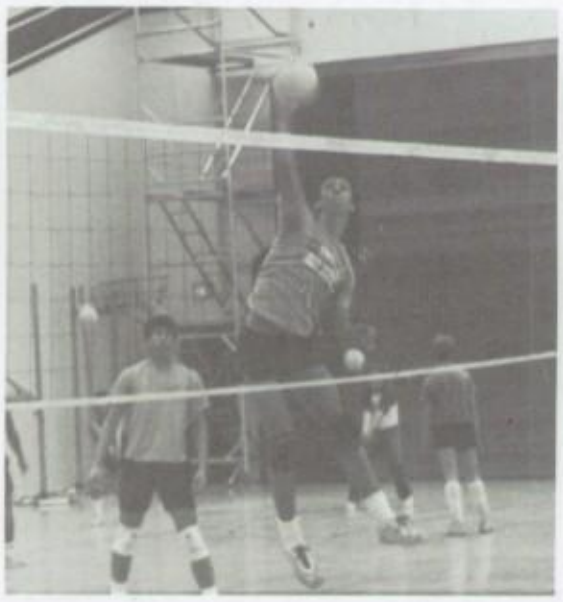
VOLLEYBALL

Volleyball Spikes With Talent

The 1985 Varsity Boy's Volleyball team had a lot of physical talent, but were short on experience. Five of the team members had only one season of prior volleyball experience. Several early season injuries also hampered the Lion team. Nevertheless, Varsity battled evenly with some of the toughest teams in the country. By seasons end, the players had made tremendous improvement and earned the respect of other players and coaches. This years leadership was provided by seniors ***Greg Booth, Lee Haskin,*** and ***Tom Hargis.*** Look out next year for sophomore ***Matt Jones.***

The Junior Varsity and Soph/Frosh Boy's Volleyball teams were coached by first year coach ***Mike Casey.*** The Junior Varsity team was led by the strong net play of ***John Trani*** and ***Todd Bischof.*** Many of the players demonstrated good potential as the team made steady progress during the season. All of the players made good positive contributions. The Soph/Frosh team was composed of all first year players. With minimal practice before the season began, the Lions made a very respectable showing. ***Brian Long*** and ***Mou Chin*** showed promise with their tough passing and defense.



Varsity team: ***back row;*** Gary Lewellyn, Greg Booth, Matt Jones, Rob Farrington, coach Creighton, ***front row;*** Mike Milne, Lee Haskin, Tim Bogdanovich, Tom Hargis.

Junior Varsity team: ***back row;*** Tim Hollen, John Trani, coach Casey, Todd Bischof, Mike Sternesha, ***front row;*** Kevin Cook, Rick Davidson, Darin Pierce, Steve Long.

Teachers and Students Work Together.

The teachers at W.H.S. are proud, spirited and very hard working. Not only do they teach education, they also respect the students for themselves, and not for what they should or shouldn't be. The student body at W.H.S. are very proud to have such great teachers!

(Turn off my addiction)

What an experience to be part of a Toma audience. The electricity he distributes is outrageous. It's almost scary at times. The attention never moves from his grasp. The audience of 3,000 students are kept captive for two complete hours. The time passes by unnoticed yet the words seem to go on forever. At times you feel yourself holding the tears back of feeling a sickness in your stomach. The assembly brought about many views. Here are some from W.H.S. students:

"He told it how it was and let people express their feelings without feeling threatened."
D. Pailet

"Got the audiences attention. He wasn't afraid to express his point aggressively."
K. Tuia

"Made me aware of the problem that *is* around and made it reality not just an idea."
H. Williams

"Great Man! There isn't enough money to pay him for the lives that he has changed or saved. AWESOME!"
D. Monson

"Gave the facts about todays teenagers. He criticized and blamed the parents too much."
D. Johnson

"He really cared!"
K. Monson

"We hope he keeps it up!"

On The Move Again

The classified section is a special part of the yearbook. The reason for this is that the people are responsible for keeping W.H.S. running. Without the cafeteria staff it would be a ***mad house*** in the cafeteria. Without secretaries nothing would get done. The appointments, typing, answering the phone, etc. would have to be done by the administrative staff. That would mean they would not be able to do their own job. The principal would not be able to talk to troubled students, or start the rallies, or look after the school. So, you see, without them, the school would not be a school.

Laura Waddell, Carole Adams, Barbara Smith, Bil Emerson, and ***Dorraine Backstrom*** do all the cla schedules for the year.

Kathy DeLavallade is responsible for the newslette that go out all through the year.

Katherine Wright, and her crew are the wonderful gou ments of W.H.S.

Georgia Antonyshyn, Ruth Ramao, and ***Pearl Powe*** are the hit squad in the halls looking for those witho passes.

Ethel Harris, Shirley Guffey, Linda Farrow, and *Anji Clemens* are the quartet of the career center.

Arlene Lilley is the supervision secretary.

Outstanding Students

Lise Lindquist was president of C.S.F. and co-president of the French club. She has also participated in the Academic Decathalon and is predicted to win awards in English and Economics. She is a member of the Thespians, Key Club, and the Advanced Placement Club. Lise has performed remarkably well in the school plays. As a National Merit Scholarship Semifinalist, she is also maintaining a GPA of 4.7.

Michele Yamato has been a member of Key Club for the past 2 years and has been corresponding secretary for 2 terms. This was her second year in House of Lords as Minister of Records, and was Chairman of the Homecoming Reception. She is also enrolled in the Advanced Placement Program and maintains a high GPA of 4.1.

Sandy Martinez is a dedicated athlete. She has been on the softball team, and the tennis team for 4 years. Her teammates all enjoy her kind personality, and her sense of humor. We are all certain of her future success.

Bell, Book & Candle

This year's winter play, was made a success through the efforts of many. The cast, including Lise Lindquist, Gordon Miller, Stacey March, Bill Tiller and Mark Silverman, put many hours, days, weeks and months of effort into it, from working on sets to actual rehearsing. Of course, none of it could have been possible without the invaluable assistance of stage manager Debbie Preston, student director Kelli Bennett, techies Travis Rock, Joe Melkerson, Jim Hawkswell, and of course, our beloved director, Rosemary Stevens. We put in a lot of hard work, but it was more than rewarded by the enjoyment we got out of performing and the fun and friendship that developed.

To all my dear friends —

Just a few things to remember. Albert. Our 7:00 AM mornings will always be cold. Keeping each other company will be remembered since that is the time we really talk. You might be Al but I'll remember you as Albert. Darin . . . What do I say to someone so easy to talk to, someone who understands me and my dilemmas. Someday we'll have fun with . . . you know who. Corey, there's so much that I would like to say but there's only one way I can and that's — I will always be thinking of you and all the good times. The formal was fun and the Valentines Dance was great. You'll be with me always and never forgotten. Dina (Chippy) . . . Jonathan Bradford Thorney forever. Someday . . . I want my dress in pink. Remember the great times during the past years. Someday I'll choose one, Maybe I already have. Julie, thanx for all the help throughout the year and all of your support. We've been through a lot, but thanx for the advice and remember the day after!? God bless you all because I'LL always love you. Finally, and most of all: Mark I'll love you forever because "You're the inspiration." You're special to my life and a large part of my heart and soul.

Thanks to everyone. I'll miss you all and WHS.
I love you
mom and dad
Thanx for all the

Born:

Gone to Heaven:

Anaheim, Ca.

To my son;
You are the dream child every parent would want to have.
Your life on earth may be short, but the memories will last us a lifetime. Thank you, my son.
Be happy wherever you are, someday we will be together again.
The following poem I wrote just for you;

We greatly appreciate all the love and support we received from Monty's friends, family, school officials and even total strangers.

Thank you from the bottom of our hearts.

AN EMPTY NEST

A sunshine faded into the night
A voice fell silent in our home,
Footsteps never to be heard again,
Laughter turning into groans.
Happiness is of memories past,
The good old days gone astray.
Our boy will never come home again,
Or ever having to go back to school,
Nor will he ever play,
Or hunt, fish or sail,
Or just relaxing by the pool.
Yet sometimes, when our house is quiet,
Footsteps can still be heard to roam,
Around this empty shell,
That once was called our home.

Dear dis,

Well it has been a long 7 years and our friendship has managed to survive it all. There is know other person in the world who I would rather have for a best friend. All the laughing, crying, talking and thinking has been worth the happiness, heart-ache and pain we have managed to overcome. I wish I could write it in words how very special you are. All I can say is your the best and I love you! Thanx for all the memories and thanx for showing me the true meaning of a best friend.

Love, Tam

Dear Tam, You are the best friend anyone could ever have. Through our seven years of best friendship we have grown to know each other like sisters. No other person can ever take your place. You're my true best friend forever. I love you.

Friends Forever, Sept. 13, 1981-?

Kim you are everything that a friend could be, cheerful, loving, understanding, funny, and much more. Always there for bad and good. 8th grade thanks, Godajon, 9th grade football games and long talks, 10th grade parties, and guys, 11th grade tests, tests, tests and more tests, and 12th grade we say goodbye. Make me cry as I say goodbye to the one person that means the most. If it weren't for you, I wouldn't have made it. Love you always, Julie Faye Barker

Special Friends forever, Max remember the special times and thoughts of you. Hollywood trip, 8th grade, Disneyland, Knotts, your house.

A friendship to grow forever, and a love that will never die. Good luck in your life. See you on your 18th birthday. Yours forever in thought and heart, Julie Faye Barker

My first love; you taught me so much and I thank you. Everyday with you was great. Even as my friend you make each day terrific. I'll never forget April's house, the bus, and my first day ditching at the beach. You're a wonderful person. Love, Max John Remele.

Dimples Forever, Juls. love deb.

Congratulations Nancy! We are so proud of you. May all your dreams come true. with all our love, Mom, Dad, Jody, Kelly, and Grandpa

Remember this? Thanks for making us so proud! Love you Dad, Mom, & Scott

"MARTY"

While I think of you, I miss you!
While I talk of you, I miss you!
While I play like we use to, I miss you!
While I live the future, I shall be with you.

Love You, D.S.A.

p.s. God bless good times!!!

Martin,

We are always with you and our memories of you are strong. We hope you are happy in your new home; it's probably better than here. Someday we will meet again, until then, take care.

M.T.

God only seeks that which is pleasing to him, I can think of no other who shall please him more. The spirit of M.J.T. will be with me always.

T.R.B.

"T" —
You will always be remembered
The great times we had
You were the friend of a lifetime
And you will be missed.

Wedge it! Forever M.R.

Martin,

I love you with all my heart and will always treasure the special times we had together.

S.L.H.

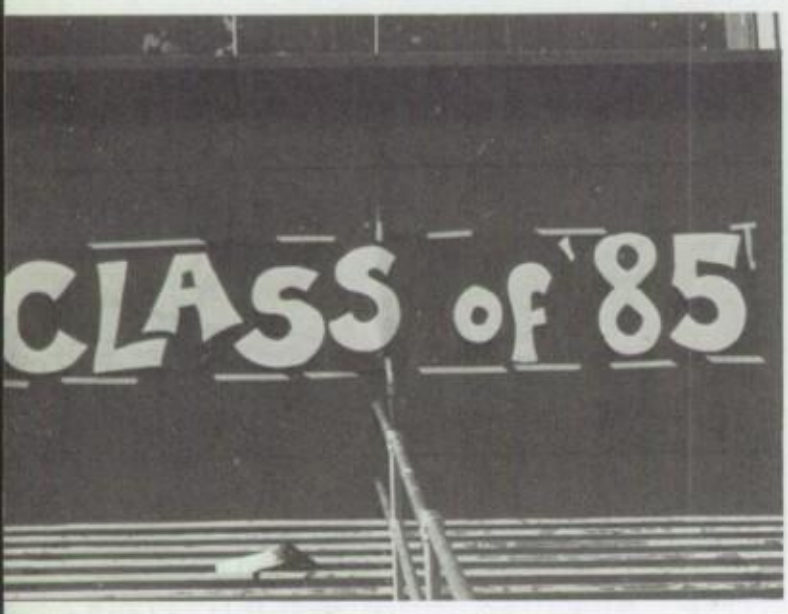
Red and yellow flag days at the wedge were some of the best times we shared. Our adventureous trips to the mountains will always be memories that I will treasure for life.

I MISS YOU MARTIN!!!
Steve Plant

Until later, Goodbye Martin. We all miss you and hope you are happy in your new place.

The Class of 1985

The Closer You Look . . .



Natures first green is gold
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

Robert Frost

The Better We Are!

The Closer You Look . . .

CELEBRATE —

Seasons change, they rearrange
So why can't you and I — say why
Thoughts we find are so unkind
We often have to cry — but why

Celebrate, change your thoughts to love
Celebrate, what you're thinking of
Time ain't long, soon we'll be moving on,
moving on . . .

Nature's way for her to say in perfect harmony
Believe, find your place, your past erased
For life's new destiny
With peace the dawn will bring,
New light to sing and shine its warmth on you
It's true you'll feel the glow and start to grow
Into a brand new you.

Celebrate, change your thoughts to love
Celebrate, what you're thinking of
Time ain't long, soon we'll be moving on,
moving on . . .

Trevor,
Well, it has been a lot of fun
getting to know you this year. Friedrich's
class has a bit more than interesting.
Next time you decide to doodle on the
board, you had best write something with
a little tact. Either that or make sure
Friedrichs in a good mood. Detention—
shame on you!!! Don't be embarrassed to
read poetry in front of

big deal. Anyhow, have a great summer
